

## Youth Day at Hope Station Attracts 245

Today is Youth Visiting Day at the Fruit and Truck Branch Experiment Station where 245 boys and girls, with their County and Home Demonstration Agents, local leaders and others, participated in a wonderful program throughout the day.

The main feature of the day was a hayride over the Station in trucks and wagons furnished by cooperative local citizens.

Thirty-one different crops and experiments were observed by the youths and discussed by leaders. These experiments included over 80 kinds of watermelons, peach varieties, cucumbers, tomatoes, potatoes, 337 kinds of cotton on one acre and many others.

Forestry, one of the major cash crops of this area, was discussed at length at one of the stops. It was pointed out to the visitors where one woodlot had 2900 B. F. per acre 17 years ago it now has 5900 B. F. per acre and in the meantime 3500 B. F. per acre had been cut.

Upon completion of the hayride the boys and girls participated in a driving contest where the object was to stop as quickly as possible at different rates of speed after an emergency arises. They were very much surprised how far an automobile will travel before the brakes could be applied and also how far it went after they were applied before it could be stopped.

On the campus were interesting demonstrations in landscaping by K. K. Bell, Extension Horticulturist, safe water supply by James L. Cox, Agricultural Engineer, Arkansas State Electric Cooperative, proper electrical wiring by Tom Edwards, Manager, Arkansas Adequate Wiring Bureau, and an insect display by the Entomology Department, University of Arkansas.

Cortez James, District 4-H Club Vice President, was master of ceremonies of the youth talent program in the afternoon, this program including excellent talent numbers by the boys and girls from the different counties. The entire day was enjoyed by everyone and the visitors left with anticipation of a wonderful time at a similar day in the future.

## Lawyer Says Entire Union Bought, Sold

By NORMAN WALKER

WASHINGTON (AP) — Testimony that a Detroit Teamsters Union local was bought and sold has gone before a federal court jury hearing Midwest labor boss Jimmy Hoffa's trial on bribery and conspiracy charges.

The testimony came from John C. Cheasty, Brooklyn lawyer-investigator whom Hoffa and Hyman I. Fischbach, Miami attorney, are accused of plotting as a spy on the Senate Rackets Committee.

Cheasty said part of the alleged sales price of Detroit Local 985, known as the "Like Box Local," the Teamsters there was to put the wives of Hoffa and an associate, Owen Bert Brennan, on the local's payroll at \$100 a week.

Cheasty, in his second day as chief government witness against Hoffa, said yesterday that while paid by Hoffa to spy on the Senate Rackets Committee, he let the committee in on the deal and was under constant surveillance by FBI agents.

## Truck, Tractor Tag Sales Will Start on July 1

Truck and tractor license sales will start July 1 and continue through July 31, Mrs. Katherine Jones, head of the local revenue office said today.

The office hours will be from 8 to 4 and will be open at noon. However, the office will be closed on July 4.

Owners must have property tax receipts for 1936, proof of assessment and registration papers.

## Miss Arkansas to Appear at Local Contest

Suzanne Scudder

One of the biggest events of the year is planned for July 13, at the Coliseum in Hope. The Hope Junior Chamber of Commerce will conduct its first annual Miss Hope Contest on Saturday the 13th with a full day of pageantry and excitement for contestants and spectators alike. This event is planned to be a yearly affair so that Hope will be assured representation in the Miss Arkansas Contest in the future.

Honor guest for the pageant will be the newly named Miss Arkansas, the beautiful and talented Miss Suzanne Scudder, and she will crown Miss Hope at the climax of the days festivities.

The day will start for the entrants with a television appearance over KOMC-TV at approximately 12 noon on Saturday followed by a mid-afternoon parade through downtown Hope. After the parade a tea will be given in honor of Miss Arkansas and the contestants.

At 7:30 the doors of the Coliseum will swing open for a beautiful presentation of Hope's loveliest young ladies with judging beginning promptly at 8 p. m. All contestants will be presented in bathing suits and evening gowns.

In addition to the naming of Miss Hope, Miss Hospitality will also be named during the contest to represent Hope in the State Miss Hospitality Contest to be held during the half time activities at the All Star Football Game in Little Rock. It is possible for the same contestant to be both Miss Hope and Miss Hospitality, providing Miss Hope meets the age and personality requirements.

Following the pageant, Miss Hope will preside over a Coronation Ball to be held for the contestants, chaperones, local Jaycees and their guests.

All young ladies ages from 16 through 24 interested in participating in the pageant are invited to contact Coach John Pierce at the Municipal Swimming Pool for further details and entrance applications.

The lucky girl who becomes Miss Hope July 13th will represent Hope in events throughout the state for the remainder of the year as Hope's official Goodwill Ambassador and will have many interesting trips.

## New Hope Cemetery Cleaning July 3

There will be a cemetery working at New Hope July 3, located 7 miles east of Hope on the Roston Road, Mrs. Roy Rogers, chairman.

## Local Industries Are Praised by C of C Head

Chamber of Commerce Manager B. N. Holt, speaking before Hope Kiwanis club this week, gave local industry a "pat on the back and further referred to them as the vital bread and butter" firms of Hope.

In his remarks, he drove home the following points:

That Graydon Anthony Lumber Co., was now operating at near capacity and employs more than 100 persons.

That Anthony Manufacturing Company employs 50 persons; that Arkansas-Machine Specialty Company and Cox Bros. Foundry are two of the largest concerns of their kind between Dallas and Little Rock.

That Bruner-Ivory Handle Company is the world's largest handle factory at one location and have furnished additional employment by adding a charcoal plant; that Grunick Sheet Metal Works is equipped to do any kind of metal work; that Hope Basket Company has been under the same management since 1923 and employs 100 persons and ships baskets to all parts of the United States.

That Klipsch & Associates, manufacturer of the Klipschorn, is better known in the eastern states than in Arkansas; that Meyers Bakery employs more than 50 persons and trucks their products to seven states from Hope; that Ram-Wood manufacturers about 1000 pairs of skis per week.

That Shanhouse, Inc., now employs about 200 persons and have recently signed a new five-year contract on the building they occupy; that Southern Plasterboard has stepped up production and is operating two shifts; daily and soon expects to add another shift.

That Cornbelt Hatcheries is now spending about two million dollars a year in this area and expects the total to reach near three million by January; that Southwest Wood Products is the only wooden ladder factory in Arkansas and sells its products to many states in the union; that Southwestern Packing Company added much new equipment last year and are still expanding facilities.

That Split-Hickory Company is now shipping their products to every state in the union and has an increased payroll; that Hope public schools have 2800 pupils enrolled with a teacher faculty payroll of around \$250,000 per year; that the two Hope banks are far above the Arkansas average in their financial structure.

"These are but a few of the assets of Hope, and when we think of new industry, let's think in a positive manner and plan for it. We need to set up a planning and zoning commission. New industry wants room to expand and certain areas should be zoned for that purpose," Mr. Holt pointed out.

He then reviewed the highlights of the American Planning and Civic conference recently held in Little Rock and told what prospective industrialists look for when they seek new locations. He said many surveys were made, some of them in a secret manner and called upon all citizens to fortify themselves with an informative and positive attitude toward their town and community.

## Christian Camp Program July 7

A singing service will be held at the Christian Camp Grounds, six miles out of Okolona on Sunday July 7, according to Bud Morris. Many quartets and singers will be present. Everyone is invited to come and bring lunches.

## Americans Have Trouble Understanding German

By JOHN FIEHN  
FRANKFURT, Germany (AP) — "Men, this German throw up," is one of the frequent comments of the 300,000 American servicemen on duty in West Germany.

While most Germans understand a little English, the American soldier finds it hard to reciprocate. For him language troubles are manifold.

Three American Forces Network in Germany is giving the men "the German word of today," translated, explained and spelled several times during the day. This is to acquaint GIs with the language of the host country.

Still many German words puzzle the soldiers. The Germans, it appears to them, mistakenly stick to some words defining world known geographical spots which in the native tongue mean nothing to Americans.

The other day an American soldier drew a blank stare from a railroad official when asking for a ticket to Cologne. It's Koeln in Germany.

Nouiburg, a German town near an American air base of the same name is, in American pronunciation, Newburgh, with the accent on "New."

"Ah," says the German, "you mean Noibeeburg," this being the closest to its native pronunciation.

The Main, one of the Rhine's tributaries, is, of course, not Germany's principal river.

"The Danube is the Donau, pronounced 'Daunaw' in German. Newly arrived Americans are often 'shocked' to find the country littered with 'Bad' places—Bad Honberg, Bad Kissingen, Bad Orb, hundreds of Bads.

Bad before the place's actual name means that it is a health resort.

## Lion Gets Letter After 23 Years

EL DORADO (AP) — An overdue business letter arrived at the Lion Oil Co., here today, 23 years after it was mailed. Public Relations Director Kavanagh Dodson said, "Dodson said the letter, originally postmarked Sept. 12, 1914, was mailed by a man in Henderson, Tex., to 'Lion Rfg. Co., Zewalla, La.'"

Postmen at walle, La., noted on the letter that it had become lost in the old letter case.

## Jury Calls Up Officials of 2 Departments

LITTLE ROCK (AP) — Two officials of the state Revenue Department and a State Police investigator today were subpoenaed to appear before the Pulaski County Grand Jury.

Appearing as witnesses were Ed McLes, assistant revenue commissioner; W. H. L. Woodyard, director of the Motor Vehicle Division; and Lt. Paul R. McDonald.

The three were among those who took part in an investigation last year into a number of missing truck license tags. The tags were found but no record was made of the sales. A department employee was arrested in connection with the incident.

Auditors of the Legislative Audit Committee last week said that they could not make an accurate check of Motor Vehicle Division sales because some records of "daily sales" were missing. Prosecutor Frank Holt declined to discuss the appearance of the three men before the grand jury.

## Group Named to Look Into Oil Imports

WASHINGTON (AP) — President Eisenhower has named a special committee to determine whether crude oil imports have reached levels which "threaten to impair" the security of the United States.

The committee was ordered yesterday to report its findings and recommendations at "the earliest practicable date."

Eisenhower has power under the tariff laws to restrict imports which threaten basic defense industries. Governors of 32 oil states had urged him a few hours earlier to curb crude oil imports on that ground.

The White House announcement said Secretary of Commerce Weeks will head the committee. Other members are Secretary of the Treasury Humphrey, Secretary of Interior Seaton and Secretary of Labor Mitchell.

It made no mention of the governors' request and it was apparent creation of the committee had been in the works ahead of their telegram.

The announcement said formation of the committee was a followup to Eisenhower's statement in April that he felt there was "reason for belief" that oil imports threatened to impair the national security.

## Faubus Uses Pressure to Lift a Ban

LITTLE ROCK (AP) — Pressure from Gov. Orval E. Faubus paid off yesterday as the state Police commission suspended "indefinitely" two weights and standards division employees an lifted a ban on highway movement of large house trailers.

And it went along with another suggestion the governor outlined in a letter to the commission, authorizing the weights and standards division employees to wear special uniforms easily distinguished from the state police grab.

The two employees suspended, B. B. Hunter and Dewell Jackson, were both of Little Rock, are under indictment by the Crittenden county grand jury, charged with bribery and extortion.

The decision to hold down enforcement of a highway department regulation on the movement of 10-foot wide trailers over Arkansas roads, which some critics claim violates the law, was made on the strength of several opinions handed down while former Attorney General Tom Gearty has in office. The opinions were supplied the commission by Faubus.

## Russia Accepts Part of U. S. Disarming Plan

LONDON (AP) — U. S. officials considered partial disarmament another step nearer today. Russia has accepted in principle an American plan for the big powers to transfer stocks of non-nuclear weapons to international control.

Loa and complicated negotiations remained, however, before the plan could start working. U. S. Delegate Harold E. Stassen proposed at yesterday's meeting of the U. N. Disarmament subcommittee the major nations draw up specific lists of their own armaments that they are willing to stockpile under international supervision. Later the weapons would be destroyed or converted to peaceful use.

The new formula was to meet British and French objections to previous proposals put forward by both the United States and Russia for cutting conventional arms by some fixed percentage. Britain and France felt the earlier proposals would work to their disadvantage because of their smaller armies.

Stassen's new plan was given qualified approval by all other members of the subcommittee, Britain, France, Russia and Canada.

## Five Trapped Miners Make Way to Safety

By ARTHUR A. PARKS

STUBENVILLE, Ohio (AP) — Five grimy miners, trapped for more than 14 hours by a cave-in, scrambled to safety last night through a hole which a huge mechanical auger had bored 230 feet into a hillside.

When the 42-inch auger was pulled from the hole, the miners followed it out one by one. They blinked at the floodlights which lit the desolate strip mine pit.

A great cheer rose from about a thousand persons — rescue workers, relatives, spectators and newsmen — as the miners rushed to their families who had waited all day in the hot sun and ran into the night.

Doctors examined the men quickly at a shack nearby and said they were not harmed by their ordeal.

"My God, it was cold in there," said Fred Sabol, 33, Harrisville, one of the first out.

The others are Hank Horvath, 35, Glenn Robbins; Martin Kovalski, 40, and Joseph Supinski, 47, both of Mount Pleasant; and Kenny Hamilton, 30, Adena.

They were trapped at 8:15 a. m. in a small chamber 300 feet back on a horizontal mine shaft about 150 feet below the crest of a hill. Their rescue came at 10:50 p. m.

The shaft was an end one among seven at Betsy Mine No. 3 of the Powhatan Mining Co. The seven horizontal "punch mining" shafts were connected by an air passage, but the cave-in blocked it with hundreds of tons of loose rock, coal and dirt.

However, air from the other shafts could seep through the porous debris, and rescue workers mounted huge fans in the other tunnels.

Later in the day, after other methods proved unpromising, rescuers started using the huge mining auger — a machine which added nine 21-foot-long bits in sequence as the auger went deeper through a vein of coal.

The first two attempts with the auger failed when it hit rock. On the second boring, 180 feet deep, workers heard voices.

Two more 21-foot bit sections were rolled in by hand and mounted on the machine for the third boring.

## Singing Services at Patmos Church

Singing services will be held at Patmos Baptist Church Sunday night, June 30, at 7:30 o'clock. Everyone is invited.

## Newport Dedicates New City Hall

NEWPORT (AP) — A new \$175,000 City Hall was dedicated here today.

Scheduled speakers included Chris Finkbeiner of Little Rock, who is majoring in animal husbandry, and two from Ouachita: Jerry McPherson, a bass player, and Owen is the son of

# 100 mph Winds From Hurricane Hit Coast of Texas, Louisiana

## Ike Ignored, Group Votes Postal Pay Hike

WASHINGTON (AP) — The House Post Office committee ignored the objections of President Eisenhower today and voted to raise the pay of 518,000 postal workers by 320 million dollars a year.

The vote, taken behind closed doors, was reported by committee members later to have been 20 to 3.

The pay raise bill, if finally enacted, would provide increases ranging up to \$546 a year.

Only a few days ago, Eisenhower had opposed a pay hike for postal workers this year. Administration leaders said it would only lead to demands for increases by other government workers an upped efforts to hold down government spending.

But the committee agreed today to meet next Tuesday to consider raises for other federal workers.

Eisenhower said raises for all classified workers would be inflationary.

## Over-emphasis of Airpower, Officer Says

HUNTSVILLE, Ala. (AP) — Col. John C. Nickerson Jr. testified today that "gross" over-emphasis on air power exists in the Defense Department.

Reliance on air power alone, the Army missile officer testified at his court martial, might lead the United States open to "total defeat" if Soviet armies over ran most of the free world.

Nickerson was testifying in his own defense in an effort to mitigate his sentence for admitted negligent handling of secret documents and sending classified methods to various outside persons.

But Nickerson almost immediately launched a blistering attack on the air power philosophy of defense which he said has been "glamorized and publicized" by every member of the Air Force.

Nickerson himself had opened a bitter inter-service fight over control of ballistic missiles when he protested Secretary of Defense Charles E. Wilson's decision to turn such weapons in the intermediate range to the Air Force.

Nickerson, champion of the Army's Jupiter intermediate missile which he helped develop, admitted he used secret data to get across his case. He awaits sentencing on 15 counts, a sentence to be determined by the 10-member court martial after the defense completes its testimony.

Nickerson said the Air Force decision to build intercontinental ballistic missiles — ocean-spanning weapons in contrast to the 1,500-mile Jupiter — was the proper one because the ICBM is a "strategic" weapon.

## Bulletin

NEW ORLEANS, La. (UP) — The Weather Bureau here said today hurricane Audrey will move northward today into Arkansas by late afternoon.

The advisory said, however, winds will diminish as the hurricane moves into the state from Northeast Texas, but will bring heavy rain and squalls.

The hurricane struck the Louisiana-Texas coast early today and continued northward. It is expected in North Texas late today. From there, the Weather Bureau said it would veer northeastward and hit Arkansas with "winds generally diminishing."

The weather bureau said "heavy rains, winds and squally weather" would continue to "wreck areas" where Audrey hits.

## Work Starts Soon on New Cement Plant

LITTLE ROCK (AP) — Construction of Arkansas Louisiana Gas Co.'s proposed 15-million-dollar cement plant at Foreman, in southwest Arkansas, will get under way in October, Board Chairman W. R. Stephens said today.

Production is scheduled to begin Aug. 1, 1958, he said.

Stephens said the plant, which will have an initial capacity of 1,000,000 barrels of cement a year, have been ordered and that Knier Engineers of Oakland, Calif., will be the general contractor.

The plant will be operated by the Ark-La-Owens Arkansas Cement Corp., a firm recently incorporated in Delaware. Stephens said articles of incorporation will be filed with Secretary of State C. C. Hall Monday.

Direction of the cement corporation will be named tomorrow at a meeting of the Ark-La-Owens board in Hot Springs.

Finally all geological test hole drilling for the plant has been completed, he said, and preliminary layouts and other details will be discussed next week.

The plant is expected to employ about 175 workers. Some 500 persons will be employed during construction.

LITTLE ROCK (AP) — State Civil Defense officials have received the first installment of federal flood disaster aid for Arkansas — a check for \$400,000.

CD Director Owen Payne deposited the check with the state treasury yesterday. He said the money will reimburse cities and towns which spent funds for emergency repair of public facilities.

Payne said 52 cities and towns already have asked for a share of federal aid under Public Law 875. Additional federal funds for flood stricken Arkansas communities may total more than one million dollars, Payne said.

peared to be passing east of the rich manufacturing triangle of Beaumont-Port Arthur-Orange on the southeast Texas coast.

Maximum winds reported in Port Arthur were 72 miles an hour. At Galveston, the wind reached a velocity of 78 miles an hour. Waves were crashing over the seawall there and white caps were smacking against hotels.

Galveston is a resort city, southwest of the Beaumont-Port Arthur sector, where the worst hurricane on record killed 5,000-8,000 persons in September, 1900.

Coal is the chief industry of West Virginia. Chemicals have second place with 34 major plants, employing more than 26,000 workers.

serv, a spa. Bad stands for bath in German. The Bade are the country's main tourist attractions.

Another constant joke among servicemen are the many "reform" houses here. They are in no way connected with crime. In fact reform houses cater for those living on special diets.

Speaking of food—there are many dishes that have an average American at a loss when they hear them.

There's no trouble in getting frankfurters in Frankfurt, but don't try to order hamburgers in Hamburg—the hamburgers wouldn't know what you're talking about.

**Alderman New Mayor of Forest City**  
FOREST CITY, (UP)—Automobile Dealer Rodger Denderick took over the reins of city government here today.

He was elected mayor over three other candidates in a special election yesterday. The job is a familiar one. He was mayor here from 1945 to 1949.

He defeated Alderman Vassar McJeskey, and Otto Kirkpatrick and Ollie Warren, both businessmen.

The special election was called to fill the unexpired term of Mayor Jack Porter, who resigned recently to go into business at West Helena.

## Dublin Mayor's Life on TV Playhouse

By CHARLES MERCER

NEW YORK — The story of Robert Amere Jewish Lord Mayor of Dublin, will be dramatized live tonight on Playhouse 95 (CBS-TV), with Art Carney in the starring role.

The life of Briscoe is fascinating. Overcoming family opposition, he became a gun-runner and secret agent for the Irish Republican movement. There followed many years as a leading Irish politician and a happy marriage to a woman whose father opposed their wedding.

Briscoe's warm personality and incisive mind made a great impression on Americans when he toured this country recently. Among the many deeply interested in Briscoe was Elick Moll, who wrote the script for tonight's drama.

"His life falls naturally into a dramatic form," Moll said. "I wrote the script after thorough research—and then I flew to New York while Briscoe was here to discuss it with him."

Briscoe liked the script; he suggested one or two changes, but was not adamant about them.

Speaking of Playhouse 95, its live dramatizations generally have

been superior to its filmed dramas. Last week's filmed presentation of "Ain't No Time for Glory" was an exception, however, when Barry Sullivan starred in a World War II drama with an all-male cast.

War dramas have tended to be pretty stereotyped on television. Among the clichés which many dramas have perpetuated is the old one that officers persecute enlisted men. So it was good for a change, in "Ain't No Time for Glory," to see in the role of a company commander played by Sullivan a man who cared about his men.

"You can't cry every time one of your men gets killed," his West Point-trained exec told him. "Why not?" replied Sullivan.

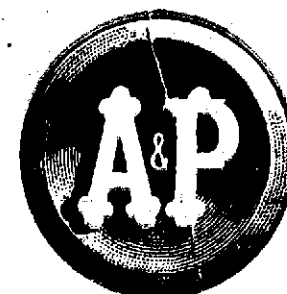

While the method of capturing a German fortress in Britain seemed improbable, it made for an exciting, dramatic story. It was based on an actual event, and reminds one that war is composed of improbable events.

### GIRL DROWNS

EL DORADO (UP)—A 10-year-old girl who could not swim drowned in the Municipal swimming pool here yesterday.

Emily Conner, daughter of Mr. and Mrs. Jack L. Conner, became the first victim to drown in the pool since it opened two years ago.

Coroner Dr. John Henry Pinson said firemen and lifeguards spent more than two hours giving her artificial respiration in a futile effort to revive her.

## Simmons-Beard

At an impressive candlelit ceremony Miss Ella Elizabeth Simmons daughter of Mr. and Mrs. Noble Efte Simmons became the bride of Robert Laverne Beard, son of Mr. and Mrs. Thomas Artworth Beard of New Albany, Miss., June 8 at 5:30 p. m. at the First Baptist Church in Rose Dale, Miss.

Dr. Perry Claxton, pastor of the First Baptist Church, Greenville, Miss., officiated at the double ring ceremony with the Rev. Joe Stovall, Pastor of the First Baptist Church of Rosedale, assisting. The ceremony was performed before an arch of Cathedral candelabra with tall baskets of white gladiolas and chrysanthemums on either side and wood-windia fern balls framing the altar. Proceeding the ceremony nuptial music was presented by Mrs. Richard Shelby, organist with Mrs. Edgar Wilson and Mrs. Jack McDougal of Greenville, vocalists.

Given in marriage by her father, the bride wore a gown of white peat-de-soie and chintilly lace. The bodice as styled of the lace on empire lines with long sleeves and the skirt was made with panels of the silk and lace. Her three-quarter veil was attached to a crown of the lace re-embroidered with seed pearls and iridescent sequins. Her only ornament was a single strand of pearls, a gift of the groom. She carried an old-fashioned bouquet of tube roses, carnations and centered with a

white orchid. Mrs. Robert Earl McKay of Cleveland was matron of honor and Mrs. Richard Fitzgerald of Shreveport, sister of the groom was bridesmaid. They wore white length dresses of lavender chiffon with a darker shade of the chiffon featured at the neckline and extending in flowing panels at the back. Their headdress was a bow of matching velvet and carried lace fans.

Paul Otto Beard of Oxford served his brother as best man. Groomsman were Lewis Lang of Greenville, Grant Van Ness Swinford of Greenville and Richard Fitzgerald of Shreveport, brother-in-law of the groom.

For her daughters wedding, Mrs. Simmons wore an afternoon dress of light blue chiffon with a side panel of lace and a white orchid corsage. Mrs. Beard, mother of the groom, wore a pink linen and lace dress with white accessories and a white orchid corsage. After the wedding a reception was held at the Rosedale Country Club. The brides table was covered with an imported linen cloth and centered with the bride's cake which was flanked by silver candelabra adorned with white flowers and malinge. The two punch tables were covered with lace cloths and decorated with gardenias and silver candelabra. For traveling the bride wore a sky blue linen suit with navy accessories and the orchid from her bouquet. They will make their home in Greenville, Miss.

Among the out of town guests were Mrs. Ada May White of Mineral Springs, Ark., Miss Marie Smith and Mr. and Mrs. Roy Mouser of Hope.

## Ground Observer Corps Meeting

The Ground Observer Corps of Hope met at 7:30 at the V. F. W. Hut Tuesday night. Nine members and 2 visitors Sharon Roberts and Staff Sergeant Mansfield were present.

After viewing movies the group discussed plans to visit Shreveport Filter Center Open House on Sunday July 14 to observe Operation Sky-Watch Anniversary. The trip will be open to the public and anyone wishing to go and take a car should call Prospect 7-2487 and expenses will be shared by passengers.

The group is to be at Barksdale Field by 11 a. m. Captain C. L. Deane will be host. The group is to tour the field afterwards. Lunch will be served in the Atom Room. Afternoon activities will begin at 3 p. m. in the State Exhibit Building Auditorium at the Fair Grounds.

The guest speaker will be Col. Nestor Cole Deputy for Material 33rd Air Division Oklahoma City. After the retiring of the colors

the group will be invited to attend the Open House at the Filter Center, 551 East Kings Highway. There will be a presentation of Awards to volunteer workers by Col. Brown H. Hayall, Director of Civil Defense.

The next meeting of the local G. O. C. will be held Tuesday July 9 at 7:30 at the VFW Hut. Sergeant Mansfield will again be present with more about G. O. C. work and will hold a training class afterward.

The post will give several more aircraft recognition books for members to read in order to familiarize themselves with types and kinds of air craft. The group finished the Red Cross course June 11 with the following receiving certificates: Bonnie Clark, Betty Carroll, Penny Roberts, Don Oglesby, William Walden, Larry Patterson, Sue Houston, Robert Story, Albert Hargis, Lyndon Keith, Mrs. Doug Jester.

The group ended the course with a pot luck dinner and a short test required by the Red Cross.

Mr. and Mrs. Pap Willis and Mr. J. W. Cunningham were special guest.

Another beginners course will be offered in the fall as well as an advanced and instructors course. A town meeting is being planned for Friday night August 16 with a movie discussion, call for volunteers and a dance.

## New Insurance Laws Planned

LITTLE ROCK (UPI)—The state insurance code committee yesterday announced it has hired a Seattle, Wash., attorney to draft a new set of insurance laws. The recommended laws will be presented before the 1958 legislature for consideration. The attorney is Robert D. Williams, who has done similar work for eight other states and several foreign countries.

## Group Agrees to Billion More for Defense

WASHINGTON (INS) —President Eisenhower won a budget victory today when the Senate Military Appropriations subcommittee agreed to restore one billion dollars of a House-cut in defense funds.

The House had cut the defense funds by two and one-half billion dollars. However, President Eisenhower said that half of this cut was a phony, paper slash which the armed services could accept. The three services in testimony before the subcommittee, headed by Sen. Dennis Chavez (D-N.M.), appealed strongly for a restoration of one billion 200 mil-

lion dollars of the House cut. Members of the subcommittee said they have not yet broken down the restoration to see how much of the restored funds each of the services will get.

But they said they are working with the one billion dollars as their restoration goal. Chavez told reporters that he "hopes" his subcommittee can complete action on the huge bill soon but he appeared none to optimistic.

The House voted \$33,562,725,000 for the defense budget for the fiscal year starting July 1. This was \$2,561,271,000 less than Mr. Eisenhower had asked.

Defense Secretary Charles E. Wilson, in urging the Senate to soften the slash, said that the House cut would strip the U. S. of "cards and chips" in an "international poker game" with Russia over disarmament. Other administration witnesses

stressed that this was the worst possible time to whittle down America's military might. They contended that the only way to deal with the Soviet Union at the disarmament table is to speak with strong military backing.

The Army told the Senate that it could not maintain its forces and meet its payroll if it did not get back 205 millions of the one billion 225 million dollars the house cut in its funds.

The Navy pleaded for return of 391 millions of its 685 million dollar trimming and the Air Force asked that the Senate put back the from its purse.

Private Le Roy Baas at Ft. Carson, Colo., was a private before he entered the U. S. Army. He was a private detective.

Chicago has more than 200 miles of wide boulevards, most noted being the one along Lake Michigan.

## THIS IS ARKANSAS

### SUMMERTIME IS LAKE TIME IN ARKANSAS

Home folks are taking to the water! Even Pop and Mom are becoming water ski happy. And last of all, there are lakes galore in Arkansas where all the family can enjoy special waterland sports. In the mountains, in the lowlands — there's plenty water. From Lake Chicot in the southeast — to Bull Shoals in the extreme north — there's every type of lake you want. Just take your pick and show your family a fabulous water vacation they'll always remember with pride.

And with a similar pride, the brewing industry in Arkansas helps maintain moderation and contributes substantially to the social and economic progress of Arkansas.

**BULL SHOALS LAKE:** Bass good early and late, only fair in mid-day bass and crappie fair on minnows, catfish fair on throw and willow lines.

**LAKE CONWAY:** Water clear; bream good on crickets and minnows with bass fair on plugs.

# National Loop Couldn't Get Any Tighter

By ED WILKS

Of The Associated Press

The "hot" National League pennant race of last year begins to look like a "runaway" compared to what's going on these days, with no less than six teams scrapping and no more than 10 percentage points separating the first four.

The whole league exploded under the pressure yesterday in what was exciting, if not brilliant, baseball with 20 home runs and 90 runs off 35 pitchers. Of the hits, 53 were for extra bases.

After the shelling, the St. Louis Cardinals retained first place by four points over the Cincinnati Redlegs. Both were beaten. Third-place Philadelphia, still a game behind, walloped the Cards 11-3; the Redlegs were clobbered 17-7 by the sixth-place New York Giants, the latest club to declare itself "in" on the pennant fight.

The fourth-place Milwaukee Braves, also half a game back and within two points of the Phillies, battered Brooklyn 13-9, leaving the Dodgers in fifth, two games behind and only 4 1/2 ahead of the Giants.

Pittsburgh quit the cellar in a double-header with the Chicago Cubs, winning 15-5 to plunk the Bruins back to eighth before a 5-5 tie called after 11 innings because of darkness.

In the American League, where a "whopping" half game stands between first and second, Chicago's White Sox retained the lead with a 7-5 job on Boston while the second-place New York Yankees 1-0 as Connie Johnson out-duelled Arnie Portocarrero in a double three-hitter.

Southpaw Curt Simmons got away with a nine-hitter for his seventh victory as the Phillies unloaded 16 hits, handing Lindy McDaniel a fourth defeat. Rookie Harry Anderson broke a 4-1 tie with a homer that triggered a three-run sixth inning. The Phils got four more runs in the seventh, then tagged Bob Miller, an 18-year-old, \$25,000 bonus kid, making his debut, with three runs in the ninth.

The Giants won their 11th in the last 15 games. Bobby Thomson drove in five runs and Willie Mays four. Both were 4-for-6 in a 20-hit barrage that nailed Johnny Klippstein with a seventh loss. Stu Miller won his second in relief.

Milwaukee crunched Don Newcombe with even runs on five homers, shelling the big guy as Hank Aaron, Eddie Mathews and Wes Covington hit successive homers in the fifth to narrow Brooklyn's lead to 9-7. The Braves bagged it with six in the eighth off Clem Labiae. Mathews had two home runs, good for four runs, in a 15-hit spree that gave reliever Gene Conley his first victory.

Pittsburgh's Dee Fondy was 7-for-11, taking the league bat lead from Stan Musial, 365 to 353. There were 49 hits in the twin bill, 31 by the Pirates, and 22 were good for extra bases. Bill Mazeroski homered in both games for the Bucs.

Three sacrifice flies won for the Yanks, two by Hank Bauer, Johnny Rocco won his fifth with Bob Grim's relief help in the ninth. Bob Lemon lost it.

Jim Wilson won his eighth for the White Sox, but needed relief help after Bubba Phillips had homered in the fifth to give him a 6-1 lead. Willard Nixon lost his fourth.

A three-run seventh, with Ray Bonome's RBI double and J. W. Porter and Ron Samford batting in a run each with singles, won for the Tigers and Jim Bunning. Jim Busby homered in the fifth for Baltimore. Johnson struck out four and walked none. Portocarrero gained his first complete game in nine starts since Sept. 7, 1955.

# Hurls Hitless Game for Ten Innings

By The Associated Press

Jim Atkins, 36-year-old right-hander, thrilled 2,336 Birmingham fans last night with 10 2-3 innings of hitless relief pitching as the Barons dropped Mobile 4-3 in 13 innings.

Taking over from starter Joe Lewis after one out in the 3rd, Atkins came within a whisker of perfection. Nick Koback was the only Bear to get to first. He was hit by a pitched ball in the 7th. Atkins retired the other 31 men in faced in order, five on strikeouts.

Nashville rode strong pitching by Bob Kelly, the Southern Association's top winner, to a 6-1 victory over Memphis and vaulted from third place into the league lead. Atlanta fell to third behind the Vols and the Chiefs under an 8-2 lacing by New Orleans. Chattanooga's Russ Heman bested Little Rock's George Brunet in a stirring mound duel as the Lookers won 2-1.

Atkins' mound job was the greatest in Birmingham since 1917, when three no-hit games were pitched three-one of them a perfect game by Little Rock's Ben Tihoup. Barons Ralph Cornstock and Carmen Hill hurled the other two.

The Bears got seven hits and three runs off Lewis before Atkins took over. Steve Delfeter singled home Bill Wilson with the tie-breaking run which gave Atkins his fifth victory against three losses.

## Mr. and Mrs. Grimes Entertained

Mr. and Mrs. J. W. Grimes entertained at a family dinner on Sunday at the Lawson Hotel. The occasion was the birthday anniversary of Mr. Grimes.

Covers were laid for Miss Lila Grimes, Miss Alice Grimes, Mr. and Mrs. Foy Box, Mrs. L. C. Challen, Rev. and Mrs. Alfred DeBlack, Tommy DeBlack, Mr. and Mrs. Bill Ward, Lisa Ward, Mrs. C. D. Ward, Mrs. Juanita Taylor, Bobbie, Wanda, William and Nancy Taylor, Mr. and Mrs. Kenneth Ledbetter, and Mr. and Mrs. Grimes.

## Victory HD Club Meets With Mrs. Green

The home of Mrs. George Green was decorated with a variety of summer flowers on Friday afternoon when she was hostess to the Victory Home Demonstration Club. Mrs. D. S. Jordan was co-hostess.

The president, Mrs. Bill Bolton, presided and gave the devotional.

Mrs. Ann Kilman, County Home Demonstration Agent, gave an interesting demonstration on "Correct Arrangement of Furniture and Furnishings in the Home."

Frosted drinks were served to the fourteen members.

## Mr. and Mrs. Eppler Couples Club Hosts

Members of the Couples Club were entertained on Saturday evening by Mr. and Mrs. Earl Eppler at their home. Potted plants and arrangements of gladiolus decorated the rooms.

High score awards were won by Mrs. J. V. McMahan and Clyde Hesterly.

Other members included Mr. and Mrs. C. R. Gray, Mrs. Hesterly and Mr. McMahan.

A dainty dessert course was served.

## Rev. and Mrs. Robertson Have Open House

Rev. and Mrs. H. H. Robertson held open-house on Sunday afternoon from 2 to 5 o'clock at the Presbyterian manse for members.

## Mr. and Mrs. J. H. Bemis have returned from Midland, Texas

where they were the guests of Mr. and Mrs. Bobby Duke and family.

Mr. and Mrs. Dudley Gee, Mary Ethel and Bobby of Hot Springs and Gail Gee of Russellville spent Sunday with Mr. and Mrs. Imon Gee and other relatives.

Miss Sue Keeley is spending the summer in East Moline, Ill., as the guest of Mr. and Mrs. Jim Lockwood and is training as a

Miss Martha Ligon was a bridesmaid in the Malone-Thompson wedding that was solemnized on Sunday afternoon in First Methodist Church of North Little Rock.

Mr. and Mrs. Dale Simpson and children have returned to their home in Ketchikan, Alaska after a visit with Mr. and Mrs. Pat Simpson and Mr. and Mrs. Vernon Buchanan.

Mr. and Mrs. W. P. Cummings and Mrs. Roy Duke attended funeral services for C. C. Fincher in Waldo Sunday.

Among those from Prescott who attended the Rogers-Ross wedding in First Methodist Church of Emmet Sunday afternoon were Mr. and Mrs. Frank Halton Jr., Mrs. Jackie Nichols, Mr. and Mrs. Douglas Easterling, Sandra and Doug Easterling and Mrs. Blanch Jones.

Mr. and Mrs. N. N. Daniel, Captain and Mrs. Gately Daniel and Scott were the weekend guests of Mr. and Mrs. James Daniel and family of Forrest City.

Mrs. Floyd Leverett and Amelia of Hope spent the weekend with Mr. and Mrs. Ira Davis.

Mr. and Mrs. White Davis and Miss Sue Davis of Jacksonville

spent the weekend with Mrs. Clarke White and John A. Davis, Mrs. John P. Cox of Hope was a Sunday guest.

medical librarian at Mercy Hospital.

Mr. and Mrs. Ralph Gordon and son, Doug, have returned from Houston, Texas where Doug underwent treatment at Texas Medical Center.

Dr. and Mrs. Jack Harrell motored to Oxford, Miss., and were accompanied home by Miss Amelia Harrell and Miss Nancy Lewis who attended a drum major and twirling school at the University of Mississippi.

Cincinnati was founded in 1788 by 28 settlers. Population today is about 520,000 in the city proper; 930,000 in the metropolitan district.

## Former Ends His Own Life

NEWPORT (AP)—A 37-year-old father of four slashed his wrists today and staggered to a ditch outside his home at the Remmel community near here and died, Coroner Otis Dillinger said.

Dillinger said Homer Edward Bridgman, a farmer, apparently sat on a couch in his living room about 5 a.m. and cut his wrists with a razor blade. A pool of blood was found at the foot of the couch and the red trail led to the ditch where Bridgman's body was found by his employer and neighbor, Frank McCartney, the coroner

said. Bridgman, described by Dillinger as in ill health for some time, left no notes. His wife and children were in the house at the time of his death.

## FACES CHARGES

CONWAY. (UP)—The 19-year-old stepson of a Conway woman is on his way back to Arkansas today to face charges of stealing his step-mother's car.

Tommy Pratt was apprehended in Phoenix, Ariz. He will face car theft charges with Tyrone Presley, 17, and Tommy Hawkins, 18, both of Little Rock.

The car, belonging to Mrs. Eddie Pratt, was found in Little Rock

with its top cut off and smeared with paint. It was reported stolen June 8.

Wild rice is not a rice; it's a perennial grass raised mostly in Minnesota and Wisconsin.
